

'Let the word of Christ dwell in you richly' Colossians 3.16 (NRSV)

1. Today is Bible Sunday. We have been thinking about getting to know the words of Jesus better. Colour in this picture of a Bible and trace over the name on the cover.

2. These are all the books in the New Testament part of the Bible.
- a) Put a ring around Colossians – which we read from today.
 - b) Colour in Matthew, Mark, Luke and John in red. These are the books that tell us about the life of Jesus.
 - c) Colour in blue all the books marked with a spot. These are all the letters written by Paul, a follower of Jesus, telling them more about how to live as followers of Jesus.

3. A recipe for the followers of Jesus: Read Colossians 3.12-17 and fill in the gaps.

Take plenty of C.....

Mix it with K.....

and some H.....

Add M.....

Don't forget some P.....

Fold in lots of L.... which binds everything together.

Then put in P..... as much as you need.

Eat and be T..... every day.

4. Thank you, God, for the Bible. Thank you that through it I can find out more about Jesus, and how much Jesus loves me. Please help me to read it and learn it. **Amen.**
