

Dove mobile

INSTRUCTIONS

(please keep these to refer to)

1. Cut out the dove shape and make a slit along the horizontal marking.
2. Fold a doily, concertina fashion, and slide this carefully through the open slit, then 'fan' out the doily each side to make wings.
3. Thread a piece of cotton through the dove, halfway along its back.
4. Working with other people, complete the dove mobile using string and straws.
