

Christ has no  
body now on earth  
but yours, no hands but  
yours, no feet but yours,  
yours are the eyes through  
which Christ's compassion is to  
look out to the earth, yours  
are the feet by which he is  
to go about doing good and  
yours are the hands by  
which he is to bless  
us now.
