

Choosing the right ROOTS subscription for your church

ROOTS offers two sets of resources: **Adult & All Age** and **Children & Young People**. You can subscribe to one set of resources, or both.

The ROOTS resources equip and empower people in many roles across the church. Who can the resources support in **your** church?

The Adult & All Age resources equip:

Preachers
Lay readers / LLMs
Intercessors

Leaders of...

- worship services
- Bible studies
- home groups
- prayer meetings
- Cafe Church
- Forest Church
- Messy Church
- creche*
- toddler groups*

The Children & Young People resources equip:

all those involved with

- Junior Church/Sunday School
- youth groups
- midweek children's groups
- school lunch/after-school clubs
- school assemblies
- creche*
- toddler groups*

** Very young children materials are available in both resources.*

Working out what ROOTS subscription to have

- A ROOTS sharing subscription enables a number of people in your church community to access the resources. You can have a mix of Adult & All Age and Children & Young People to suit your church.
- All the resources are on the ROOTS website. Start by working out who needs access and how often.
- Some people are **continual users** – we suggest they have their own login to the website.
- Others are **occasional users** – they can share logins with others.
- Some people may not want to use the website – they could have a magazine. You can factor this in!

Example of how one church could use the resources

One Minister
One Children & Youth Coordinator

As they use the resources continually, these individuals each have their own login, using their email address.

Children & Youth leaders

2 people on the Sunday rota each week + midweek helpers

They share 2 logins between them, using generic addresses, e.g. cy1@church.co.uk cy2@church.co.uk

Bible study leaders

On rota every 2-3 weeks

These two teams could share 2 web logins with generic email addresses, e.g. bible@church.co.uk

Prayer rota

On rota every 5-6 weeks

One Administrator manages the subscription, prepares the weekly news sheet and sends weekly materials to the housebound.

This church subscription is a **4-magazine sharing subscription** with **6 logins** + an Administrator login.

Some people may want a magazine *and* online access. Others may be comfortable with one or the other – so your total magazines and logins will go even further! You always get two more logins than the number of magazines in the subscription, plus an additional Administrator login.

Total cost: £189. To resource all the leaders in this church costs £3.63 per week!

Prices correct at time of writing (September 2020).
