## John 17.6-19

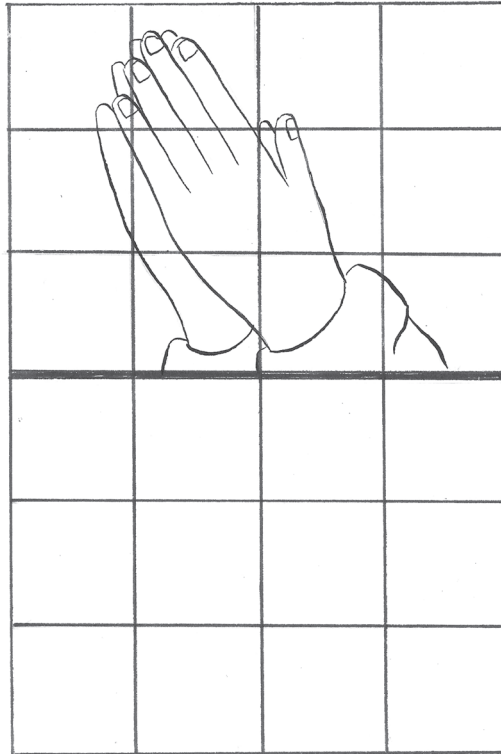

Jesus prays for his special friends, the disciples, to be protected when he goes back to heaven.

Copy the picture of someone praying, using the drawing grid.

Write your own prayers to God; saying thank you, sorry and please.

We often think about prayer in a particular way. Colour this picture and use it as your own way of praying. Write or draw onto the hands some ways of praying and reasons why we pray.

Follow the dots to reveal the word, then colour it in.
