Republic of Ireland annual sharing subscription

All subscriptions include Digital access; you can add Print if you wish. Digital & Print subscriptions come in set combinations: 2 magazines with 5 digital users, 3 magazines with 6 digital users, and so on. The total number of digital users includes the Subscription Administrator.

To encourage churches with small teams, we're offering a discount on our entry-level group subscription (with 5 digital users). The price below already includes the discount.
